On the morning of April 25, 2014, the above arrested, James Cyr walked into his ex-wife's home and sat down at the breakfast table. Cyr wanted to "talk" to his ex-wife about their twenty-five year marriage. At some point, Cyr pulled out a hand gun and pointed it at his ex-wife stating he wanted to harm her. Cyr's 18-year-old son was also at home and was able to talk his father into putting down the gun. Cyr's son was able to get him out of the house and talk to him further. Cyr was upset and had left a suicide note in his vehicle. Cyr and his son parted ways and the ex-wife contacted the police to report the incident. Ofc. Lundberg conducted an investigation into the incident and applied for an arrest warrant. A
